The Scholastic Art & Writing Awards is a prestigious, national program that recognizes outstanding creative teenagers and offers scholarship opportunities for graduating high school seniors. The first level of recognition took place locally through the Scholastic Art & Writing Awards in Broward County. At the regional level, 60 University School Middle and Upper School students received a total of 88 awards. The works receiving top honors locally will be submitted for national adjudication by a panel of jurors composed of artists, authors, educators, and other industry professionals. The Scholastic Art & Writing Awards has a legacy of noteworthy past winners including Andy Warhol, Sylvia Plath, Truman Capote, Richard Avedon, John Baldessari, Joyce Carol Oates, Zac Posen, Lena Dunham, and many more.
