## University School

NOVA SOUTHEASTERN UNIVERSITY

### National Signing Day Is a Family Affair at University School

University School proudly presented 13 student-athletes representing four different sports for National Signing Day. The first Wednesday in February signifies the first day that a high school senior can sign a binding National Letter of Intent for college football with a school that is a member of the NCAA, the main governing body for college sports in the United States. The tradition has grown at University School to include all student-athletes signing to play a college sport. USchool further asks each family join their son or daughter on stage for the confirmation signing.
