Spanish Conferencia’ Results

Sixteen students from the Spanish 2, 3, 4, 5, AP Language, and AP Literature classes represented University School at the recent Florida State Spanish Conference in Orlando. All 16 students participated in the Impromptu Speaking (Discurso) competition where they were asked to speak Spanish on a randomly-drawn topic for 2 minutes. Six students (maximum number allowed) participated in the Declamation competition where they were asked to recite a poem in Spanish for 2 minutes. The final element of the competition was a Spanish play in which 13 members had speaking roles.

Congratulations to all of our students on their awards!
