Season highlights: In no game was Kings better than University's win over Delaware's Red Lion Christian Academy, where Kings had 13 catches for 144 yards and two touchdowns, while rushing for 43 yards and three touchdowns. He also returned a kickoff 98 yards for a score and completed two passes for 82 yards. Kings had six touchdowns in University's win and ended the season with 30 touchdowns. **Comment:** University's offense had great players spread across the field, wreaking havoc on defenses in Class 3A. Of those great players, Kings was the standout using his deceptive speed and great route running to lead the Suns to another district championship. Kings ended the season with 30 touchdowns. He is committed to Michigan State.

Athlete's quote: "I didn't go into the year expecting to be the best player in Broward County, I just wanted to work hard, do my best and help my team win another state championship. ... That six touchdown game was a total blessing. I didn't realize I had scored that many until someone told me after the game. ...They heard about it at Michigan State and Coach D'Antonio called me. I'm very excited to get up there. East Lansing is Michigan State and I love it up there."
