Morning at the Shepard Broad Law School and Morning at the Huizenga Business School

All juniors and seniors are invited to participate in the Morning at the Shepard Broad Law School at NSU, which will be held on March 11 from 10am-12:15pm. This event will include a tour of the law school and a class led by an NSU law professor, as well as a panel with current law students.

Juniors and seniors are also invited to participate in the Morning at the Huizenga Business School at NSU, to be held on March 25 from 9am-1pm. Details regarding this event to follow. Please note that all students who plan to attend should RSVP on our website.

Interested students should see Mieca Levy in the College Counseling Department by March 6.

Boston University Information Session

Boston University will be hosting a reception for high school sophomores and juniors and their families. This is a wonderful opportunity to learn more about BU and what makes an application competitive for admission.

Class of 2015
Application Status Check

It is extremely important that all students check the status of their applications, through the portals with each college. If any documents are missing, such as a letter of recommendation or transcript, please let us know immediately. We are not notified of this by the college; only the applicant is notified. The admissions offices are processing thousands of applications, and it is not uncommon for documents to be misplaced. Remember that it takes several weeks for transcripts to be processed at the college; students cannot expect their portal to show that all documents have been received the moment they submit the online part of the application.
**Bright Futures**: Please remind your children to apply for Bright Futures if they meet the criteria. If they do not apply senior year, they will lose the opportunity to do so. Students have up to two years after graduation to use the award, so even if your child plans to attend college out of state, the scholarship will be available if he/she transfers back to a Florida university.

**FAFSA and CSS Profile**: Please check with each individual university for priority submission deadlines. Many have a February deadline.
