NOVA SOUTHEASTERN UNIVERSITY

Dear Seniors,

You're almost there! Soon you'll be an NSU University School graduate and a lifelong member of our Alumni Family! You have much to be proud of and as the Alumni Relations director, I look forward to learning about the new doors of opportunity opening to you as you build your future.

Last year, we introduced The Senior Gift Campaign, a collective effort for the seniors to make their philanthropic gift to NSU University School. We invite you, the members of the Class of 2017, to begin building your own legacy of alumni engagement and philanthropic giving. All senior students are encouraged to give \$20.17 to the Alumni Fund to commemorate their graduation year.

## **What is the Alumni Fund?**

The Alumni Fund is specifically for you, the alumni community. For your benefit, funds will be used to enhance connections and interests, including but not limited to networking, engagement, offset the cost of alumni class reunion, invitations to join us for free events on campus and providing general support for Alumni Relations endeavors.

## **What are the campaign's goals?**

Our goal is to set the highest participation rate to challenge the senior classes of the future. Show your class pride and make it 100%!

## **What are the benefits of participation?**

- Each senior student who donates a minimum of \$20.17 will be acknowledged on a commemorative poster that will be hung in the Sonken Building reception area for the next academic calendar year.
- Graduates who donate will also be recognized in a special section of the Donor Honor Roll in the next issue of Viewpoint magazine publication.

We'd like to see all members of the Class of 2017 represented and are striving for 100% participation to inspire future graduating classes in their philanthropy! To make a gift, drop off a check made out to: NSU University School to Wynne Avellanet in the Student Activities Center, or make a secured gift online at: [www.uschool.nova.edu/annualfundgiving](http://www.uschool.nova.edu/annualfundgiving).

Thank you!
